A Thirsty crow

Once upon a time. There was a crow. He was very thirsty. He flew here and there in search of water. He saw a pot in the garden. There was a little water in it. He could not drink it. He thought of a plan. He put some stones into it. The water rose up. He drank it and flew away.

MORAL:

NECESSITY IS THE MOTHER OF INVENTION.

"SHHH"... A LIZARD SAID

I was shopping with Mummy at the grocery store,
When I happened to notice a shape on the floor.

"Shhh" a lizard said, "I'm trying to eat,
Will you move to the left, there's some cheese at your feet?"

I moved carefully away, and tried not to gawk,
As the lizard ate his cheese with a knife and a fork.
