Lions Eye Hospital Road , Raniganj- 713347, Dist-Paschim Bardhaman

DAVRNJ/Notice/018

Date:- 18.02.2025

NOTICE

Dear Parents,

This session of 2024-25 has almost come to an end and we have completed it very successfully with the students bringing lots of accolades and fame for the school and for their parents. Thank you for your unwavering support to the school without which reaching to this height would not have been possible.

As we are ready to begin a new session from April 2025, we need to fix up the student strength of the school. As a normal course, the existing class gets promoted to the next higher class, subject to promotion awarded. However, some students do take transfers after the Annual Examination gets over. It is our earnest request to you, Dear Parents, if you have any plans of shifting your ward before the new session begins, due to reasons best known to you, may please inform our office beforehand, so that you may avoid the annual fee charged before at the commencement of the new session of 2025-26.

Your co-operation in this regard shall be highly appreciated.
