**MATHS**

Paste bindis and write number names from 1 to 20 in your class work copy.

Example  - one

Read the two stories and enjoy-

## A Thirsty crow

Once upon a time. There was a crow. He was very thirsty. He flew here and there in search of water. He saw a pot in the garden. There was a little water in it. He could not drink it. He thought of a plan. He put some stones into it. The water rose up. He drank it and flew away.

**MORAL:**

**NECESSITY IS THE MOTHER OF INVENTION.**

## "SHHH"... A LIZARD SAID

I was shopping with Mummy at the grocery store,  
When I happened to notice a shape on the floor.

"Shhh" a lizard said, "I'm trying to eat,  
Will you move to the left, there's some cheese at your feet?"

I moved carefully away, and tried not to gawk,  
As the lizard ate his cheese with a knife and a fork.

**Activity Time-**

**Tearing and pasting activity do in your scrap book, tear different coloured papers and stick on the picture.**

**HAPPY HOLIDAY**
